

## **May 6 and 7, 2022** **777 Ranch—Ferron, Utah**

It's Fiesta Time—not south of the border, but at the 777 Ranch in Ferron! Though the ranch is in what is considered high desert in Utah close to the haunts of Butch Cassidy and other outlaws, it's pretty safe here. Who doesn't need a getaway every now and then, not from the law, but from those things that often weigh us down or skew our perspective?! Join us for a time of fun, fellowship, and encouragement.

Our speaker this year, Stephanie Smith, is not new to the 777 Ranch or to Ferron, as she and her five college-aged kids have spent months at a time here throughout the years. Her husband Mike helps pastors, camps, and missionaries with building projects, from planning and overseeing the building of church facilities to renovating existing homes to building more cabins at a camp. Stephanie is the editor and a frequent contributor for Think Bible ([www.ThinkBible.online](http://www.ThinkBible.online)), a website of resources, blogs, and podcasts designed to challenge, edify, and encourage women. From her various life experiences, Stephanie will share with us how to keep a biblical perspective of life, focusing on God and His Word to keep us resting in Him, experiencing peace and contentment no matter what the circumstances we are faced with.

Please see the enclosed registration form for prices.  
The Fiesta Getaway starts on Friday evening at 5:00, with dinner at 5:30 and the Big Game by 6:30. Following our service with Stephanie at 7:30 will be a campfire (weather-permitting) with stories from years gone by and marshmallows to roast.

Our Big Game will be all kinds of fiesta games, some with a definite Mexican flair to them. You'll enjoy some fun crafts, a horseback ride and just some good ol' R & R, as well.

If you 'd like to buy a T-shirt, hoodie, cap, jewelry, or other souvenirs, check out what's available in our online store that you can get to from our website and purchase in person at the retreat.
