*Wishing each of you
a very Merry Christmas
and a blessing-filled
New Year
from snowy Utah!*

Taken a few weeks ago during our first major snowstorm

As you can see, we have added a couple of new camps due to inquiries about camps for families and adults. Also, the gals' ranch hand program has been extended to five weeks, by popular demand.

The **Family Ranch Life 101** camp will be a lot of fun for all ages, with classes and activities to suit the varying ages of campers and their parents. You'll learn things about horses, cattle, and sheep and get to take part in all kinds of stuff.

The **Adult Horse Extravaganza** is expanding the usual Adult Fall Ride and making it possible for college-aged adults to attend. Some of our summer staff gals asked if there could be a time just for them to learn and have fun without the responsibility of campers. So here it is!

We're looking forward to a great time this summer! Come join us, or send someone you know!

Calendar for 2010

You can check our website for further information about the various camps as they come up. If you would like to receive brochures for the various camps, or if you would like to set up a time for a custom camp for your church, please contact Lenny on the website or give him a call at 435-749-9015, at the first of the new year.
