Bits of This 'n That

Ranch Report Mailing List—Currently, there are 777 Ranch Club members and a couple churches sending monthly gifts to help with expenses that we incur, whether or not we have campers, such as water, electricity, propane, and insurance. In order to be good stewards of those monies entrusted to us, we are constantly looking for ways to cut operating costs, though we've had some people amazed that we operate on so little. One area we believe we can cut costs is in postage by asking our readers to let us know if they would rather receive the quarterly ranch report by e-mail or snail mail or not at all. (We don't want what we send to just become another piece of junk mail.) For that reason, we are enclosing a postcard for you to send back to us, stating how you would like to receive the ranch reports. You can also reply on our website, if you'd rather.

Camper Scholarships—Every summer we know of kids with difficult financial situations. In fact, last summer a camper scholarship was given to enable a young man whose father was out of work to come to camp. If you would like to be aware of these kinds of needs so that you can help, please indicate that desire on the enclosed postcard so that we can contact you as we become aware of them.

Special Needs—Currently, we are working on finishing up the three bedroom cabins in time for a couples' retreat mid-February. The log beds are in the process of being made, and some things required by the building inspector are being finished up. Next come the mattresses! A furniture/carpenter store that we have done a lot of business with had mismatched sets on sale for \$900, and now he'll let them go for \$600 a set. Please pray for God's provision of the money for these—very soon.

Barn Raisin' Week—We've received inquiries about Barn Raisin' as folks start making plans for the summer. The dates are June 7-12. However, if you have a church missions team that would like to come help with projects some other time, call Rick Benson (435-749-9016) to make other arrangements. It is such a blessing to look around the property and remember the many people who have had a part in building this ministry!

Memorial Day Weekend Family Ranch Life 101

Please note: There was a mistake on our last ranch report calendar. This camp was intended to be held over Memorial Day weekend to make it easier for families to come, but we had the wrong dates. It is scheduled for May 29-31, beginning Saturday mid-afternoon and ending after lunch on Monday. Further details will be on the website.
