## WHAT'S HAPPENING??

That seems to be the opening question asked on a regular basis when we get a phone call. Usually our reply is whatever we're doing at the moment, plans we're making for the rest of the day, or something that has happened that's not the usual. Things don't stand still at the 777 Ranch, but things are not moving at the pace that they do during the summer. Cattle have been rounded up and taken down the mountain, shots given, and calves sold. Those that have been "worked" are already out on the desert for the winter. There are still a bunch of them that are hiding out on the mountain because of warmer than usual fall weather. However, they may come down this next week as snow is in the forecast. It's been a dry fall, and our trees are still hanging on to their brown leaves.

Those of you who were at camp last summer know that money was donated and designated to increase the number of our riding string. Many of our tried and true older horses are nearing the end of their time of usability, but these younger horses fit well into the summer program and allowed us to take additional campers per week. There are going to be several foals born this spring and the mares are getting quite round.

Things were a bit tight sometimes in the indoor arena last summer, so Brad has started bulldozing the area where we do much of the Great American Horse Race to extend the dimensions of that outdoor area and get it ready to enclose with an arena fence for use this summer.

So, what's happening in your life?? Emails and messages on instagram and facebook are great to get! We'd enjoy hearing from you.

## NEW 777 RANCH ONLINE STORE

*Now you don't have to wait until summer to pick up some things from the ranch store. With the Christmas season just around the corner, you might want to take at least a quick peek at what's available at [777ranchstore.square.site](http://777ranchstore.square.site). (The cowboy hats can't be shipped a cost-effective way so those will have to be purchased during camp. They are reasonably priced and come in several different sizes and styles—something to keep in mind. You could give your child a gift card for Christmas to spend when here.)*

*We're running a special Black Friday sale that extends from Thanksgiving Day through December 7. Get a 10% discount when you check-out if you spend between \$50 and \$99 (code **BF50**) and get a 20% discount if you spend \$100 or more (code **BF100**). If you have trouble using the site, just give Katie a call at 435-749-9704.*

*A new item we're selling is a 777 Ranch calendar, with great pictures showing the countryside and activities during the year. The cost is \$20, which includes shipping. To order yours, use the code **2020calendar** when you check-out. You can have a bit of Utah on your wall all year long. It will also serve as a reminder to pray for the ranch ministry each day.*

The camp dates for the four youth horsemanship camps, day camp, and adult horsemanship camp are now posted with registration forms online. If you are wanting to schedule a custom retreat for your church, send in your choice of three dates in order of preference and we'll get back with you starting January 1. Usually church retreats are scheduled in the late spring/early fall.

We're working on lining up counselors and other summer staff. If you are interested in helping out at the ranch this summer, please give us a call.

## Happy Thanksgiving!

Psalm 105:1, 2—"O give thanks unto the Lord; call upon his name: make known his deeds among the people. Sing unto him, sing psalms unto him; talk ye of all his wondrous works."

Thank you for your support of the 777 Ranch ministry with your gifts and prayers and with your participation in our programs.
